Colorado Springs, CO 80918

Date: March 16<sup>th</sup>, 2020

Dear Parent(s)/Guardian(s) of \_\_\_\_\_ :

As you may know, the Pre-Collegiate Development Program is cancelling all events through March 31<sup>st</sup>, 2020. UCCS has also issued a statement that they will not allow any meetings or events on campus with more than 75 people until after April 30. With that in mind, using UCCS guidelines, we are going to cancel the rest of the middle school events for this Spring semester. But we are hoping to visit schools personally before the Spring 2020 semester ends, if possible.

The programming events that are being **cancelled** for this Spring 2020 Semester are as followed:

**DATES/EVENTS CANCELLED:**

- **April 3<sup>rd</sup>, 2020:** 7<sup>th</sup> Grade Workshop
- **April 10<sup>th</sup>, 2020:** 8<sup>th</sup> Grade Workshop
- **April 24<sup>th</sup>, 2020:** 7<sup>th</sup> Grade Workshop

**For 7<sup>th</sup> Grade Students:**

- We are working on what we can do to plan for resurrecting the video project in the Fall of 2020.
- We will be in contact regarding additional dates in the Fall of 2020 to make up for the time lost.

**For 8<sup>th</sup> Grade Students:**

- We will be in contact about the structure of the PCDP high school program soon.

Please stay safe and healthy and know that we have enjoyed working with your student during this school year and I am looking forward to re-connecting with them soon.

Respectfully,

Vicki Taylor

Program Manager, Middle School/STEM
